CHORUS:

 [Others:] *From around the world,*
 [Leader:] *We're a rainbow church,*
 [Others:] *We're a rainbow church,*
 [Leader:] *And our prayer is one,*

2. Often thinking we're complete
 We just shut out the rest.
 God invites us, "Open out—
 I'll be there in your guest."
 We are a sign of the difference in God,
 Open table, Jesus is here,
 God the stranger, breaking in.
 Open out!

1. Different cultures, different tongues,
 But we gather today.
 Different dress and different songs
 Sung a different way.
 We are a sign of the commonwealth
 of God,
 Jew and Gentile, women and men,
 God's great love through all the
 world,
 Let it grow!

3. So much learning! We still fail.
 Yet God's Spirit is near.
 So much joy! We're so enriched!
 There is nothing to fear.
 We are a sign of the colours of God,
 Breaking barriers, welcoming all,
 So diverse yet one in Christ,
 Live it out!
